submarines."

MIAMI, Fla., March 8 .- In answering a request of the United Press The Admiralty made the following anfor a statement of his views, William nouncement to-day: Jennings Bryan says two questions are involved instead of one. The first involves the fillbuster, and the vessels and sixteen fishing craft, with of 900 boy and girl pupils. There was second, the merits of the proposed an aggregate gross tonnage of \$1,000, legislation.

BRYAN OPPOSES

"I am against fillbustering," he said, "and have for several years been advocating a cloture rule in the majority to rule and am sorry by mine or submarine during the to learn from press despatches that week ended March 4, according to the two-thirds vote for the closing of In the same period twelve British "A majority vote ought to be suffiattacked by German submarines.

clent, after each Senator has been given reasonable opportunity to express his views. To require a twothirds vote is to give to the predatory interests the same power that
they now have to prevent legislation
hostile to their privileges.

"As long as the rules permit a
one-half of one per cent. Of the

minority to obstruct legislation, we may expect them to be employed to prevent progressive legislation just as they were employed two years ago to emble the shi-ping trust to defeat

the President's shipping bill.
"The second question relates to the merits of the bill. So far as I am week and not reported, are added to were not to giving authority to the President, but related to the language the following official statement. to be employed, and surely if Con-gressional authority is needed, the members of Congress cannot fairly ment: be denied discretion as to the lan-

guage to be employed.
"I am heartly in sympathy with the House in withholding insurance from ships carrying arms and am-munition and am also in sympathy with the minority of the committee in the belief that the exception should the belief that the exception around be extended to the arming of ships as well. The bill in both Senate and House provided for protection of Americans only when they were law-fully on ships and it is for Congress say what is lawful.

JOHN D. ROCKEFELLER "In my opinion, a taw should be enacted withholding clearance from any belligerent ships carrying Ameri can passengers to Europe.
